

Worlds in Chaos

By James P. Hogan

Baen Books, United States, 2015. Paperback. Book Condition: New. 197 x 125 mm. Language: English . Brand New Book. Two classic novels from James P. Hogan, the best-selling master of SF! In *Cradle of Saturn*, discoveries made by colonists on the moons of Saturn show that the Solar System has undergone repeated cataclysms and the last was only a few thousand years. This flies in the face of accepted scientific dogma, and is dismissed by Earth's authorities - until the planet Jupiter suddenly emits a white-hot, Earth-sized protoplanet that hurtles sunward on a collision course with Earth! And in *The Legend That Was Earth*, the alien Hyadeans have showered high-tech gifts on the population of Earth, offering to make a paradise of the planet. But when wealthy socialite Roland Cade discovers the dark underbelly of the alien presence, and learns that his ex-wife is one of the so-called terrorists who are fighting against the alien takeover, he's forced to choose sides. Soon, he's caught up in a terrifying conflict that threatens the very existence of the Earth!
