Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Using simple language, you ll find you don t need a theology degree to understand these biblical truths, only a heart open to God s Word. This practical and easy-to-apply book is a great down to earth guide to basic Christian principles. Each concept is explained clearly without a lot of confusing doctrine and theology. Intriguing questions are addressed; such as: Why must there be consequences to actions? What are the benefits of waiting for God s will and how would I even know what that is? How can I stand strong in my faith against society s ungodly pressures? How does my relationship from the past affect my relationship with God now? Is there a secret to contentment? How can I be secure in my salvation? What happens when I die? Back to the Basics: A Guide for Christian Living brings Scripture to life, makes sense of the hard questions, and enhances your understanding of the way life was meant to be lived.
