Password Log Book -In an age where digital information has become King and all of your favorite websites and social media outlets now require passports and usernames to gain access. It can be rather difficult to remember all those necessary but complicated passwords, especially as we get older. This is where the Password Log Book comes in extremely handy this 150 page little book is specifically designed to help those who have trouble remembering all those complicated algorithms and password symbols and capital letter usernames. This book is specifically designed to help you discreetly keep all of your passwords and usernames organized alphabetically with specific spots on each page for the username and password, as well as any other pertinent information that may be required for the specific website or social media platform. These handy little notebooks are also extremely discrete with artistically designed covers that give absolutely no indication whatsoever that they contain important information like passwords, they will simply look like just another address book or journal or personal notebook being carried in your pocket or purse, but will be a lifesaver. The next time you want to log into your favorite shopping website.Plenty of room to record password changes, security questions, and notesExtra pages to record information about your home network configuration, Internet Service Provider, and other notes and in alphabetical order.
