Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

WHATEVER YOU MAY SAY (PAPERBACK)

Pinyon Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Rich and inventive, Kurt Heintzelman's poems are funny, serious, and everything in between, often all at once. Again and again their verbal playfulness opens up to genuine feeling. These poems are sometimes boisterous and sometimes sad, sometimes learned and sometimes comic, but always a pleasure. --Lawrence Raab, National Book Award Finalist for *Mistaking Each Other for Ghosts* I love these poems for their delightfully fresh expression, as if a dozen ventriloquists in a painting by, say, René Magritte were addressing you. So many surprises here with poetic forms and topics--from the ghazal to the closet drama to the sonnets to the riffs on the haiku to the fresh and convincing translations to the range of literary allusions to the demotic to that crazy little dachshund that keeps sleeping on the couch. There's even a terrific children's book (*The Heintzelmannchen*) embedded in these pages. How aptly named this collection is: *Whatever You May Say*. Four words which Heintzelman approaches with half a century of wit and savvy philosophical inquiry behind him, and all presented lightly with such sprezzatura. --Paul Mariani, poet and author of *Wallace Stevens: The Whole Harmonium* I was thoroughly prepared to enjoy this new book and I was not disappointed. Heintzelman's poems consistently possess the qualities of music and intelligence without which poetry cannot be good. --Steven Weinberg, Nobel Laureate in Physics, author of *To Explain the World* Heintzelman's newest collection is filled with lines drawn taut as water plaiting down (*Elevations: A Photoessay*). Strikingly vivid and often hilarious and wise, the poems meditate on a wide range of subjects, from the history of sunflowers, barking dogs, the Texas landscape(s), postures and...
