Title: Cetywayo and his White Neighbours; or, remarks on recent events in Zululand, Natal, and the Transvaal. Second edition, with a new introduction. Publisher: British Library, Historical Print Editions The British Library is the national library of the United Kingdom. It is one of the worlds largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The HISTORY OF THE ANCIENT WORLD collection includes books from the British Library digitised by Microsoft. Titles in this series include lectures, compiled sketches, and chronological discourses on Greece, Rome, and other early European and African civilisations. The collection also has a selection of physical and classical geography texts. The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: British Library Haggard, H Rider;...

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.
