### **Reviews**

*This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.*

These vegetables can include spinach, lettuce, cabbage leaves, and other green vegetables which are low in calories. No wonder so many dietitians recommend lots of salads as an excellent dieting food. Apart from these greens, salads can also be dishes of bite-size pieces, mixed with salad dressing or with spices and sauce So who were the first people to eat salads? According to historical books, the ancient Romans and Greeks were the first persons who mixed up greens with olive oil, and a salad dressing to eat as an accompaniment to their meals. The word Salad in itself comes from the Latin word for salt- salata- due to the reason that the Romans made a salad dressing of vinegar as well as brine or salt in which the salad greens were put before serving. Ancient Roman or Greek citizens kept good health with massages of olive oil, lots of exercise, and plenty of greens in salads. This book...
