Createspace, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Classical Favourites For Piano Book 1This is the first of two classical sheet music books I have arranged for piano. The skill level required for this book is grade 1 to grade 2 level, so they are relatively easy to play, however, a new beginner should be assisted by a piano teacher. The more advanced players can try book 2 in this series which will test your playing up to grade 3 level. All the pieces in this book are nowhere near concert pianist level so in that respect can be considered easy to play. Classical music by its very nature can be considered difficult to play and indeed, original manuscripts from Beethoven, Mozart, Bach and many other classical music composers are very challenging to play. With that in mind, I have arranged the pieces in this book to appeal to the thousands of classical music fans that want easier versions of their favourite classical pieces. You wont find full on symphonies with pages and pages to play in this book, many of the pieces in this book are two, three and four pages at most and while the music in this book is arranged for piano, I have also included chord symbols for those that don t want to or can t read bass clef, so electronic keyboard and organ players can also enjoy playing these pieces. Contents: Fur Elise My Heart At Thy Sweet Voice La Donna E Mobile (From Rigoletto) Ode To Joy Valse Lente Liebestraum Roses From The South Waves Of The Danube Radetzky March Minuet In G Major Piano Teachers Although the pieces in this book are greatly simplified compared to the original manuscripts, there is still plenty to learn and I can highly recommend these...
