This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

LuLu. Paperback. Condition: New. 200 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. Utopia or Death is a new book that has just been released and described as a Spiritual Guide to Save Humanity and aid in its Evolution and Revolution. Contrary to what We have been led to believe, a Utopian Society is possible on Earth. Looking at the current state of chaos in the World and what Humankind has been going through for millenniums now, although centuries ago the art of Cooperation and Unity had been mastered; We need to ask the question of, Why are We caught in this unending hell despite the existence of such technological advances, inventions, innovations and the unquestionable and undeniable ability to immediately and decisively eradicate World poverty, inequality, suffering and unnecessary deaths Countless technological leaps are made every day and providing for All of Humankind is a simple task that can be achieved with not much resources or labor. We have machines today that do in 1 minute what took 100 workers 1 week to do centuries ago. Machines extract and create more in less time and using less energy. Food and resources is abundant enough to feed more than twice the current World Population; so why are there still People starving all over the planet For the answers to many of these questions and more simply read this book. The big culprit and answer is the capitalist and monetary system, which only seeks profit and in which there must and will always be inequality, exploitation, lack of Humanity and especially common sense. In capitalism, even if there is an abundance of food and there is starvation and need, it will actually sit there and rot, if the needy cannot pay the price. Capitalism more than anything holds Humankind in a system of...
