Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this new ground-breaking book, the author has uncovered the mathematical formula that defines how easily The Force can be used in every day life right now, not a long time ago and right here on Earth and not in some galaxy far, far away. Those of us who may want to use The Force for physical violence will be greatly disappointed, however, since The Force that created the universe and all things within it is not capable of being abused by mere mortals and there is no Dark Side of The Force. There are people who are on the Dark Side of something, to be sure, but it is not The Force. The book details how the Force Equation is as simple to understand as Einstein s famous equation of $E = mc^2$. With Einstein s simple formula of how matter is converted into energy, we were able to construct the Atomic bomb. In the case of The Force Equation we learn how to convert Time into a greater power than mankind has ever known or will ever know and which shall make all atomic power pale in comparison. When we learn how to do this, we are able to achieve things that we would never be able to without the use of The Force. Most of us, luckily experience moments of clarity and even accomplish great things at random times in our lives, however, we re oblivious to the true nature of The Force that can be used to do this more and more often, no longer relying on dumb luck. For today, there is a mathematical equation that makes it possible to...
