Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Katana James is about to become the studio guitarist for her favorite heavy metal band ever--and meet the musicians, music, and man of her dreams. SHE MEANS BUSINESS Twenty-three year old Katana James can shred on the guitar. Not that anyone would know, as she's spent most of her time working on a popular news and gossip website for Heavy Metal fans since her own band broke up. But her dreams are in reach when she gets an audition to play with her favorite band, Bleeding Vengeance. Kat won't let her gender, her anxiety disorder, or even the pranks of a malicious stalker stand in her way. The only thing to threaten her focus? A growing fascination with the group's brilliant, mysterious bass player. HE OFFERS PLEASURE Klement Burke has always been the heart, soul and brain of Bleeding Vengeance. He's the kind of rock star who stays in the shadows, a perfectionist more interested in satisfying his brain than other parts of his body. Until he auditions Katana James. At first it seemed a perfect idea, as he's been aware of her talent for some time. But meeting her in the flesh ignites thoughts far from professional. Despite the conflict of work, the odds against her falling for a geek like him, and a secret he's been hiding, his heart, body and soul now belong to Kat.
