## WE ARE ONE: FINDING OUR MISSION AND PURPOSE ON EARTH (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Before I realized my purpose in life, I felt lost and had periods of extreme sadness, and desolation. I felt there was something else I needed to do to feel better, but I did not know what it was. My epiphany began after hearing Philippians 6:2-11 on a Sunday morning. Once I became aware of my purpose on earth, and how the ego was derailing me from unveiling my true self, my life took a positive turn. I began to experience a sense of peace and spiritual happiness. Once my heart and my soul were opened, it was as if I had been directed to share this knowledge with others, and I could not stop until I completed this book to share the experience with you. I also learned that the divine is one of the highest achievements of enlightenment and consciousness any of us is able to obtain. The divine is always love. It does not test us, but guides us. It does not demand to be loved because it is love always. His function is to be present in everything we do, and for us to share lessons learned with our earthly brothers and sisters because we are interconnected - We Are One.
