Dana Faletti. Paperback. Book Condition: New. Paperback. 290 pages. Dimensions: 8.0in. x 5.0in. x 0.7in. Fans of The Mortal Instruments and Fallen will love the second book in Dana Faletti's Whisper trilogy! When 16-year-old Callie Evans learned she was more than your everyday suburban teen, everything changed. One minute she was a typical high school student, the next, a demon-slayer extraordinaire. As a newly discovered Arc angel from heaven, Callie's destiny is to fight the Darks that prey on human teens. But when Callie meets Romuel, one of the most powerful angels of all time, her reality is shaken once again. Romuel will force her to become what she was meant to be, but will her boyfriend, fellow Arc, Joshua, be able to set his pride aside? He doesn't appreciate Callie's attentiveness toward the older, wiser immortal Romuel. Joshua found her first. And he's not willing to share. Is it Callie's highly active imagination or does the Dark population seem to be multiplying exponentially in her world at an alarming rate? Newsflash: She's not imagining things. They're everywhere. And she's got to find a way to stop them before it's too late. Join Silas, Jules, Jix and the rest of the immortal crew in a story that will wake up the world to the war that's been raging since the beginning of time, a war in which whispers are the deadliest weapons of all.
