ELOQUENT BOOKS, 2010. Paperback. Condition: New. Language: English . Brand New Book. It s easy to conform to the way the world is, and never take time to question why things are as they are. It s easy to take what we are told as truth, but never take time to understand the real truth. Over time, people become a shadow of themselves because they are too busy trying to be what they are not, while never living up to their potential. In a world full of images, words, laws and rules, there is need for us to be true to who we are and what we are capable of doing. We need to see ourselves as the very best of what we can be, because life is too short to spend it being confused and not achieving our goals. Everyone has great potential and can succeed in their dreams. **You Have All Been Fooled** explores how people live within the shadows of the world, never realizing their own capability. Religion has played its part in the perceptions we have, and Christianity is a major player. Much is preached on attaining a good life, but that s not possible when the wrong perceptions are being created without relevant insight into what is realistic and what is not. This is book is about power, ability, capability, but above all, hope. About the Author: Winston Zvirikuzhe grew up in Zimbabwe and now lives in Mozambique. He writes to make a difference and let the truth be known. He is working on his next book.
