Reviews

The very best pdf i possibly study. It generally will not expense excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
(Prof. Owen Sporer)

KEEPER OF THE SINS THE LEFT HAND OF GOD A VAMPIRE THAT WORKS FOR THE VATICAN

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 282 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. A vampire that works for the Vatican. . . Marcus Victor Amfortas is a vampire with a problem. After an innocent girl sacrificed herself for him, he can not give in to his thirst. He can no longer bring himself to feed on humans. Secluding himself was not enough - he has an overwhelming need to make amends for his existence and the evil he has done. The Vatican has a problem. It must protect the innocent from hundreds of tainted artifacts in its possession. These relics are each corrupted by evil and the acts of mankind. As a result, they are craved by the living horrors that must possess them. Worse still, the artifacts themselves offer seductions to the most pious of holy men. An uneasy alliance was formed: Keep the artifacts sequestered, and the Vatican itself will give Marcus absolution upon his death. Now, a hundred years later, a cynical and sarcastic Marcus keeps his vow sacred. He is fighting to keep his most vile artifact from a powerful wizard, fighting to keep his life from a vengeful demon, and fighting for his only chance at redemption through this new, politically conscious church. Debut author Chad Bednar has crafted a sublime supernatural thriller-- a clash of underworld and overworld, of the sacred and the profane, fought out on our earthly battlefield by richly drawn characters amid superb action. -Earl Merkel, author of; Virgins and Martyrs, Dirty Fire, Final Epidemic, etc. The Left Hand Of God is the first in the Keeper Of The Sins series. This book serves up; humor, zombies, magic, car chases, wizards, the mysteries of the church, and a bad guy you cant help but...
