Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Dreamer s dream is deeply rooted in the American Dream. This dream is the result of arriving to the United States as children through no fault of their own. An unintended consequence of good people who simply wanted a better life for their children. There is one thing that unites Dreamers and non-Dreamers alike: We are working hard to better ourselves and our communities. We all want a better life for our kids and family. As we look back throughout history, what is just and right becomes evident. I don t want the next generation to look back and wonder why good people stood silent and did nothing. The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy. - Martin Luther King Jr. At the end of the day, we are all more alike than we are different. We all love this country and want to build a better future here. We are all after the same thing. A chance to go after the American Dream. We Are All Dreamers.
