STAR OF THE NORTH: A NOVEL (ADVANCE READER'S EDITION)--BRAND NEW UNREAD COPY WITH PR MATERIAL LAID IN.**DOWNLOAD**

Crown, 2018. Soft cover. Condition: New. 1st Edition, Special Edition. May22, 2018. Advance Reader's Edition. First Edition. First Printing. (Complete Number line with the "1" present.) This is a thick, 482 pp. over-sized trade paperback format of what will be released as a major title for the summer in May, 2018, as a hardcover with an issue price of \$27.00. From the author of "Flight From Berlin." "A sweeping, propulsive epic that takes readers deep into the heart of North Korea, braiding together the stories of three fascinating individuals grappling with the oppressive power of the regime-- a brilliant spy searching for her sister, a high-ranking official desperate to conceal a lethal family secret, and an indomitable striver trading on the black market." This advance reader's edition sports two color front covers, the top one being less wide than the one beneath it, so part of the second cover shows through. Also this is a review copy with an impressive packet of publisher's PR material laid in. In addition to the usual details, there is an interview with the author and four pages of color photographs John took when he was in North Korea. A intriguing total package. New in glossy illustrated covers.
