

## The Biology and Psychology of the Horse - A Collection of Classic Equestrian Magazine Articles

By -

Swedenborg Press. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. This collection of articles were originally published in equestrian magazines in the early part of the 20th century. Carefully selecting the best articles from our collection we have compiled a series of historical and informative publications on the subject of horse riding. The titles in this range include Horse Riding Clothes of the Past, The Sport of Polo, Holidays on Horseback, and many more. Each publication has been professionally curated and includes all details on the original source material. This particular instalment, The Biology and Psychology of the Horse contains information on anatomy and the characteristics of the equine mind. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
