E3 2008m OCLC Number: (OCoLC)300087183 Subject: Business and education -- United States. Excerpt: . . . 11 Amy and I have been stealing some of these techniques for our own kids, because it is important that we again lead by example. And so we have an opportunity to take advantage of one of the big-gest challenges of playing the PGA Tour, which is travel, and turn it into a positive. And we do this with my wife. My wife Amy takes our kids - we have two girls and a boy, and she takes them to every educational opportunity that each city has to offer. So we will go to museums, the natural history museum, we will go to aquariums, we will go to zoos, science exhibits, and inspire our kids in the sciences this way. In fact, the Bodies exhibition, where you see the internal organs, the internal parts of your body, was a great way for us to deter our kids from difficult social challenges. So we showed them what a healthy lung looks like relative to a smokers lung, and what a healthy liver looks like relative to an alcoholics liver. And so they walked out of that exhibit saying, I will never drink or smoke. And so we have been able to use science as a way of incorporating difficult social issues and helping them make great decisions. I would like to share one story, because I think it is funny, and it encompasses how we use science and math every day, whether we are aware of it or not. And my favorite story is about my...
