Vampire is just another name for a fallen angel-an outcast from Babylon, banished for their outrage over the gift of forgiveness for man s sins. They ve been thrown to the earth to end their days in darkness, but the devil s children have other ideas. The Fallen are given the devil s lust and the ability to change believers to swell the Fallen s ranks. With enough, they can retake the promised land. John, bitten by a Fallen in the pews of his church, is sent away by his family into Purgatory and plunged into a world of demons, werewolves, vampirism, and magic. Given a choice by God s messenger, he embarks on a deal struck with the Lord to stop the Fallen from fulfilling their goal.
