Winter Wedding Press, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A sweet comedic tale about love and taking chances. Based on a true tradition! Fall for love. Take a chance. City girl Connie Oliver has a hard time hanging on to men, grooms in particular. Just nine weeks before her wedding, she's seen another one slip away. To make matters worse, her ailing grandfather's eightieth birthday is approaching, and he has one final wish: to see his last granddaughter married in the historic wedding gown that was first worn by his late wife and has been a family tradition for years. When her sister takes Connie on a girls getaway in the wild to soothe her latest heartache, she quips that Connie wouldn't know a decent man if he fell on her. So, when a handsome stranger drops out of the trees, Connie's got to wonder whether he's some sort of madman - or an answer to her prayers. Rugged outdoorsman Mac McCormack is down on his luck after having just lost his camping store in a forest fire. So he hits the trail to forget his woes and plot his next move. Little does Mac expect the fates to deliver an angel with a predicament in need of his skills. With Connie desiring a groom and Mac requiring a down payment, their meeting seems fortuitously timed. But how far will Mac be willing to go once he learns play-acting for the Olivers is not such smooth sailing? Despite the mishaps and mayhem that ensue, can Connie and Mac achieve an authentic happy ending? That all depends on whether both of their hearts can take a chance.
