Marcus Bird, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A young man finds himself in ragingly cosmopolitan Tokyo, haunted by memories of the past, facing an uncertain future. When a typical twenty-something year old English teacher in Japan develops severe physical and psychological aversions to his daily routine in a small town, he decides to move to Tokyo with a few months worth of savings in search of more stimulating horizons. As his physical symptoms remain, and now hit with the demands that come with living in one of the world s most expensive cities, he must take a fast track course in both survival and self-actualization from a host of characters including libidinous transients, self-proclaimed celebrities and kleptomaniac supermodels. Armed with few skills in the face of an uncertain future, Naked As The Day takes us on an occasionally humorous and poignant journey of human choices and ultimately, their consequences.
