THE PORTYGEE (PAPERBACK)

Createspace, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Portygee: A Novel Overhead the clouds cloaked the sky; a ragged cloak it was, and, here and there, a star shone through a hole, to be obscured almost instantly as more cloud tatters were hurled across the rent. The pines threshed on the hill tops. The bare branches of the wild-cherry and silver leaf trees scraped and rattled and tossed. And the wind, the raw, chilling December wind, driven in, wet and salty, from the sea, tore over the dunes and brown uplands and across the frozen salt-meadows, screamed through the telegraph wires, and made the platform of the dismal South Harniss railway station the loneliest, coldest, darkest and most miserable spot on the face of the earth. At least that was the opinion of the seventeen-year-old boy whom the down train - on time for once and a wonder - had just deposited upon that platform. He would not have discounted the statement one iota. The South Harniss station platform was the most miserable spot on earth and he was the most miserable human being upon it. And this last was probably true, for there were but three other humans upon that platform and, judging by externals, they seemed happy enough. One was the station agent, who was just entering the building preparatory to locking up for the night, and the others were Jim Young, driver of the depot wagon, and Doctor Holliday, the South Harniss homeopath, who had been up to a Boston hospital with a patient and was returning home.
