Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The other side of Poe's classic revenge story. The Citadel, not exactly heaven, and the Badlands, not exactly hell. A robot celebrity going berserk. A form that demands to know how many staples are in your stapler. The dance of matter and antimatter. The sinister side of suburbia. A painter going through the looking glass. A one-act play about a serial killer who might be a goddess. Paranoid visions, meditations on art, language, and the contradictions of American dreams, sly satires, and journeys into Gothic madness. These are just some of what you will find here. Come this way - the lights dim, the curtain rises, and the masque begins.
