NODE.JS IN PRACTICE (PAPERBACK)

Manning Publications, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. **DESCRIPTION** Node.js is a relatively new platform that lets software developers write the server side of web applications in JavaScript. Problem is-solid examples that show how to implement Node.js in production are still few and far between. That s exactly what this book offers. Node.js in Practice assembles nearly 100 practical techniques that can be used when implementing Node in production. All the code is...
