WATCHING OVER THE HEART (PAPERBACK)

Metokos Press, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Watching Over the Heart is An Emerging Author Selection from Metokos Press. Books in this series are written by new authors whose work is worthy of being discovered. This book by Rev. Mike Sharrett, attempts to examine the problem with the heart, how the gospel sets the heart free, the nature of the heart's warfare, how a healthy heart works and how a grace-filled heart triumphs over some of life's stumbling blocks. Clearly, compassionately, cheerfully, Mike describes how God makes this miraculous heart-change happen, says Paul Settle, a pastor-at-large in North Texas. To communicate his message, Sharrett uses extensive references from the New American Standard Bible and English Standard Version, and includes a Scripture Index at the end. Topics covered in this volume are divided into four parts, The Heart Understood, The Heart Set Free, The Heart at War and The Heart at Work. My goal in this book, therefore, is straightforward: to help you take your place with the psalmist who knows, God is my exceeding joy (Ps. 43:4); the sage who reflects, Nothing I desire compares with you. (Prov. 3:15); the Apostle who says, To...
