GRANTA BOOKS, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. If a standard guidebook has never revealed the Italy you seek, let City Secrets show you the way. See the glorious art and architecture of Italy s villages and cities through the eyes of the people who know them best: an architect leads you through a hidden Florence passageway built for the Medici; a novelist points out the panoramic vistas that inspired St Francis; the most renowned of Italian cooks divulges her favourite Venetian eateries; and an artist directs you to the courtyard of a Renaissance convent, where you will ring for access to the frescoes - and a miraculous handprint - that lie within. Clothbound, elegant, and pocket-sized, this book features a subtle non-guidebook design and detailed maps. It is the ideal supplement to a more basic travel guide, or a perfect gift for the sophisticated traveller who is tired of the picture postcard recommendations and wants to try something unique.
