Are you a piano student who wants to maximize progress? Are you a piano teacher who wants your students to have a tool that will track assignments AND promote practicing? Do you want a visually fun book that will let you set goals, notate music, assign homework, and record theory - all in one place? If so, this is the piano lesson secret weapon you've been missing. The Meridee Winters Piano Homework Book Practice Tracker includes: - Staff paper for notating music, song ideas and more - Notebook pages for writing out assignments and lesson notes, complete with a weekly practice tracker - Goal-setting pages - Theory tools like a build-it-yourself blank glossary for theory concepts and circle of fifths chart - A Create Your Own practicing game board - . And more! About the Meridee Winters Music Method: Founded by a former school teacher, the Meridee Winters Music Method was created as a solution to a problem: that lesson and exercise books teach at the rote and recall level, with little room for creativity. There is also a need for great music materials for learners of all styles, including gifted learners, young learners, students that fall on the autism spectrum, those with dyslexia and more. The Meridee Winters Music Method tackles all of these complex needs with her playful, progress-boosting books and activities. Organize, create and supercharge your piano lessons with this innovative book, part of the Meridee Winters Whole Brain approach to music education and a great supplement to any series.
