

The Complete Cancer Diaries: One Man s Journey Into Darkness, Wonder and Hope

By Byron Leavitt

Brain Waves Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Where is God When We Suffer? In the Fall of 2013 Byron Leavitt grew deeply, oppressively sick. Then, in January of 2014, he learned why: he had stage four Hodgkin s Lymphoma. Byron was given a 50/50 chance of beating the cancer. Taking a deep breath, he marched forward into the fight for his life. As he entered the war, he also started to write. He wrote of his miraculous victories, tragic defeats, and grueling treatments. But, perhaps most of all, he chronicled a growing realization. It is so easy in the valley of death to despair. To be devoured by the night and the terror. To ask yourself, Where is God? Has he left me? But what if, in the depths of utter darkness, we can somehow reach heights we could never have otherwise attained? What if, as we plummet into the clawing abyss, we find Someone who was waiting to catch us all along? That s what this book is about. These are The Complete Cancer Diaries. The Complete Cancer Diaries began in 2014...

Reviews

Absolutely essential go through publication. It is filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).
