Lulu.com, United Kingdom, 2014. Pamphlet. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I know you wondering as you read the title, what the hell is a geek monster? Well a geek monster is a person who is addicted to drugs, such as crack, cocaine and other man made substance and will do any and everything to get that next hit. As I wonder through this world I have came across many geek monsters and came to realize that everyone of them are different. This story is about five geek monsters in particular, Bill, Cook, Ms B, Sam and Mike. These five folks in my opinion represent the true meaning of Geek Monsters in every aspect. This will be a short story but will stay stuck in your mind forever! So sit back and let me amaze your mind with their stories, this going to be fun and entertaining and perhaps sad to some but insightful to others, enjoy reading or press play.
