

## The Office and Philosophy: Scenes from the Unexamined Life

By J Jeremy Wisnewski

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. Language: English . Brand New. This book unites philosophy with one of the best shows ever: The Office. Addressing both the current American incarnation and the original British version, The Office and Philosophy brings these two wonders of civilization together for a frolic through the mundane yet curiously edifying worlds of Scranton s Dunder-Mifflin and Slough s Wernham-Hogg. Is Michael Scott in denial about death? Are Pam and Jim ever going to figure things out? Is David Brent an essentialist? Surprisingly, The Office can teach us about the mind, Aristotle, and humiliation. Even more surprisingly, paper companies can allow us to better understand business ethics. Join the philosophical fray as we explore the abstract world of philosophy through concrete scenes of the unexamined life in The Office. You may discover that Gareth Keenan is secretly a brilliant logician, that Dwight Schrute is better off deceiving himself, that David Brent is an example of hyperreality, and that Michael Scott is hopelessly lost (but you probably already knew that!).
