David Kaniecki, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Life-Flight-Teams are called to transport those in need of critical medical care to an institution capable of managing their condition. On occasion, life-altering events can be prevented from ever occurring, or measures may be taken by both patients and medical providers to reduce the impact these events have. This book was written for two reasons, to enlighten those curious about the flight-nurse profession and to share some take home lessons from these medical emergencies with the public, nurses, and EMS providers. The author is an acute care nurse practitioner for the Cleveland Metro Life Flight Team. After being asked frequently about his career as a life-flight nurse, David Kaniecki decided to answer this question by sharing his more memorable experiences as a life-flight nurse, linking each story to a teachable event. In his book, he describes many of his exciting adventures of critical care transport with various emergent disease processes. For those unfamiliar to critical care, he helps explain these diseases in an easy to understand format prior to sharing his story. David believes the greatest teaching methods are through real life experiences. After each story, he shares key lessons that can be taken away from these events.
