PROBABILISTIC SIMULATION OF MULTI-SCALE COMPOSITE BEHAVIOR

Probabilistic Simulation of
Multi-Scale Composite
Behavior

NASA Technical Reports Server
(NTRS), Christos C. Chamis

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. A methodology is developed to computationally assess the non-deterministic composite response at all composite scales (from micro to structural) due to the uncertainties in the constituent (fiber and matrix) properties, in the fabrication process and in structural variables (primitive variables). The methodology is computationally efficient for simulating the probability distributions of composite behavior, such as material properties, laminate and structural responses....
